***Continued Examination***

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 4/8/2005 has been entered.

***Reasons for Allowance***

The following is an examiner's statement of reasons for allowance:

Instant drawn invention drawn to a method for querying a database through a secure network using a common object request broker architecture (CORBA) is allowable over the prior art of record for including the following nonobvious improvement in conjunction with the remaining claim limitations:

wherein said updating of said tabular data includes making cascaded mass changes to a set of related data across multiple tables and wherein said updating of said database of said worksheet grid form includes allowing only selected tables, rows and columns to be updated by authorized users.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
